 - We made \$82,956.03 at the Casino!
 - We were under our meal budget so we didn't owe any money to the Casino.
 - I confirmed with the AGLC that the unique furniture(modular furniture) falls under the Education equipment in the list of proceeds.
 - The form for the next Casino was sent in. I wanted to confirm that we want to have it at the same location.
 - Keep to the same casino (Deerfoot Casino) as it is close by
- Administration Request - Jennifer George & Andrea Bodley

Ballpark things like X number of dollars for busses

We would like to do a 2 year plan from us then they can plan how they want to use it at the school

The teachers can choose the residencies for the first year and second year and then school council will vote on it

Ballpark \$ for different categories like technology, field trips, etc.

Question: How would we know how much everything costs?

- Can be more fluid
- Wishlist items may be helpful to properly divvy up funds
- Jen and Andrea will create a spreadsheet with different categories and allocate certain funds (potential) for each section
- Will be voted on by council
- April meeting we could potentially have the spreadsheet
- New Business - Strike update?
 - Kona Ice was paused because of strike - will circle back when it is officially over
- Questions?
 - Bailey - We also checked on the popcorn in the storage units and me and Meghan said that we would like to use it before we lose it to little critters kinda thing ! That's a quick sale to make some money as well !
 - Popcorn Sale during Concert night outside? - too busy with scavenger hunt and food trucks
 - A Friday afternoon in May or June?
 - Have enough for like 2 popcorn sales
 - Sold one batch and then one for a fun friday for free
 - If we do not have enough for 2, we can just have a fun Friday event where we give away for free
 - Seem to have enough for 2 though
 - Figure that out at April meeting

- Next meeting: April 15, 2025 7:00 pm
- Motion to Adjourn: 7:23 PM
 - First: Krystina
 - Second: Jenna
